

WPSD PARENT NEWS

WHAT'S HAPPENING AT WPSD?

Happy New Year! Our return from break was off to a wintery start when our Camp Hill bus was delayed by one day and then the winter weather continued with a few more days of delays and closures! We are looking forward to a fresh start with lots of learning and even some fun thrown in along the way.

Please remember, if your child is a day student, you will follow your home school district for delays and closures. If your district is closed, your child's absence is counted as excused. If your district is closed and you choose to transport yourself in the morning, please be sure to make pick up arrangements for the afternoon.

It's hard to believe, but we have reached the end of the 2nd quarter! This means our students completed finals and mid-term exams this past week. Kudos to the students and their families for the hard work they have put in this year's first semester.

Our Boys and Girls Basketball Teams travelled to the Kansas School for the Deaf last weekend for the inaugural Fuller-Miller Donatucci Classic. Congrats to the two of our students who earned All-Tournament honors. The girls team won the consolation bracket championship and the boys finished in 4th place. All the student athletes and coaches put forth their best efforts and made WPSD proud!

Our Middle School Robotics team was also on the road! They traveled to Tennessee School for the Deaf for the VEX IQ Robotics tournament. Neither team was able to make the playoffs, but the students had a blast and represented WPSD well. The students will definitely take the knowledge they learned at the tournament and be back next year ready for battle!

The High School ended the quarter with a fun Math 24 Competition in the auditorium. In this fast & fun math game, students use addition, subtraction, multiplication or division to develop solutions to problems that equal 24.

Stay warm and safe!
