

## **RED RIBBON WEEK, 10/23/23-10/27/23**

WPSD will be celebrating Red Ribbon Week October 23rd through October 27th. The Red Ribbon Campaign is the oldest and largest drug prevention program in the nation, reaching millions of young people. The symbol of the Red Ribbon shows a commitment to a drug-free lifestyle.

The Red Ribbon Campaign was started over 25 years ago when drug traffickers in Mexico City murdered DEA agent Kiki Camarena. This began the continuing tradition of displaying Red Ribbons as a symbol of intolerance towards the use of drugs. The mission of the Red Ribbon Campaign is to present a unified and visible commitment towards the creation of a drug-free America. Different Activities will occur within the school to remind students about making good choices and about the harmful effects of drugs and alcohol.
