

Denim Day 2015

Denim Day 2015 will be held this October at WPSD. The exact date is yet to be decided. The members of the Girls' Athletic Association (GAA) really want the WHOLE school to participate and donate to this great cause and they hope to do that by having everyone wear pink to support the cause.

We have some great items that we are selling to help you get your pink on! We have t-shirts (\$15) that you can pre-order below, and we also have bracelets, pins, bandannas and other items (\$1-\$5) that will be for sale at the GAA table in front of the Learning Center every day for the first two weeks of October.

In addition to wearing pink to show support, students can also pay \$3 to wear a hat or flip-flops, while staff can pay \$5 to wear jeans/denim on that day. The exact date for our Denim Day event will be decided soon. More information is to follow.

100% of the profits made from this fundraiser will go directly to Lee National Denim Day and the Bright Pink fund.

Use the order form below to pre-order your shirt(s) and also pre-pay for your hat/flip-flops or jeans to wear on Denim Day. **Please return this form by October 5th.**
